

ARE YOU AN ADRENALINE JUNKIE?

EXPERIENCE SPEED LIKE YOU NEVER HAVE BEFORE!

Plummet from a plane at 10,000 feet, taking in a bracing view of the lush Poconos. On a good day, you might even sight the peaks of the New York City skyline. After your pulse recovers, you'll find yourself at the Pocono Raceway, strapped into a 600 horsepower professional stock car. Rocket around the super speedway in the passenger seat – or you can take your life in your own hands by upgrading to the driver's seat (additional fee). Your meal is included...if you think you can hold it down.
